SUBJECT: [redacted] Enlarger

25X1

REFERENCE: [redacted] Memorandum dated 10 August 1966

1. The referenced memorandum contained a review of the [redacted]
[redacted] Enlarger evaluation performed [redacted]
Since that time I have talked with representatives [redacted]
Inc. about the intended use for the enlarger on the Image Analysis Program.
I have satisfied myself that it would be a useful item of GFE for that
program.

2. I therefore request that if you have no NPIC requirements for
the instrument that it be furnished [redacted] as GFE
on the Image Analysis Program, for the duration of the studies for which
its use is required. Please have the contract monitor carry out the
appropriate steps to effect this action. I have indicated to
[redacted] that the probability is high
for his use of the equipment and that he could include it in his future
plans, subject to our final approval.
